

TOODYAY FRIENDS OF THE RIVER (TFOR)

2018 WORKING BEES FEBRUARY – NOVEMBER 2018

The following programme is based on input from members. Changes will inevitably occur over the course of the year due to weather and prevalence of particular weeds such as caltrop and bridal creeper.

Please keep an eye on our Noticeboard outside Drummond House for any changes. Members on email will also be advised.

There are two working bees each month so members can choose which suits them best.

Working bee 1: first Sunday of the month (unless there is a clash with an important date)

Working bee 2: Monday immediately following the Sunday.

Grahame Malone co-ordinates the working bees (0427 556 863) – you can discuss alternative times with Grahame.

Our tools are kept in the TFOR trailer at *The Junction Community Depot* (TFOR shed) next to the Seed Orchard. Discuss with Grahame if access is needed.

We have summer and winter starting times and working bees last 2 hours. Members often stay and have morning tea, so bring a folding chair if you like some comfort!

Summer: October to April 8am – 10am

Winter: May to September 9am – 11am

INFORMATION ABOUT MONTHLY WORKING BEES AND EVENTS WILL BE DISPLAYED ON THE TFOR NOTICEBOARD OUTSIDE DRUMMOND HOUSE.
